EDUCATION

Cal State Fullerton | BS Computer Science**,** GPA: 3.54   **Graduation Date: May 2025**

EXPERIENCE

Sharetea (Boba Shop**)**   *May 2021 – July 2023*
Shift Manager, Barista   *San Leandro, CA*
- Lead team members to ensure quality drinks and customer service.
- Ensured end-to-end preparation of store for morning shift workers when closing.
- Responsible for training new team members for both night and morning shift roles, including POS and barista duties.

Community Service Learning Center Schools   *October 2020 – June 2021*
CLCS Governing Board Student Member   *Alameda, CA*
- Actively participated as a student member on the board of directors for the non-profit overseeing Alameda Community Learning Center.
- Advocated for the concerns and perspectives of fellow students at Alameda Community Learning Center during board meetings, ensuring the student community's voice was heard and valued.
- Collaborated on the External Relationships & Partnerships Committee, working to foster a positive perception of charter schools within our community.

PROJECTS

Social Media Link Landing Page (React, NextJS, TailwindCSS, Supabase) | [GitHub](#)   *2023*
Linktree Clone
- Created a mobile-first, landing page for content creators to display easy-access links to multiple social media profiles.
- Implemented a user account system, enabling management and personalization of individual pages.
- Utilized Supabase to handle entire backend including sign-up, email authentication, login, and database management.

Bootstrap Quiz Web App (Bootstrap, JavaScript) | [Demo](#) | [GitHub](#)   *2024*
NBA trivia challenge
- Designed a trivia app interface utilizing JavaScript to dynamically create and update quiz elements via the DOM.
- Implemented a username login, score count, and timer feature.
- Leveraged bootstrap to ensure a mobile-friendly and responsive experience.
